a. Except for the Declarant or the Builder, no Unit Owner, guest, lessee, resident, occupant, invitee, etc., shall commence any substantial digging or earth moving or regrading operations of any nature without first obtaining permission from the Executive Board. This is intended as protection against inadvertent disruption of surface drainage, underground services and creation of a nuisance to other Unit Owners.

b. Retaining walls and grading alterations which change the contour of the earth and/or water drainage patterns must be submitted to the Executive Board, with complete details including sketches, for approval.

c. Unit Owners are responsible for verifying locations of all underground utilities and existing easements and bear total responsibility for any and all service interruptions directly attributable to work performed on their property. 35. Window Air Conditioners. No window air conditioning units shall be permitted on any Unit.

D. COMPLIANCE WITH RULES AND REGULATIONS

It is hoped and anticipated that all Unit Owners will comply with the Rules and Regulations as they are outlined in this document, since they are intended to preserve the character of the Community and the property values of each Owner. In the event that a situation arises where violations have taken place, it is the responsibility of the Board to enforce the established rules in a consistent fashion according to the process outlined in the following enforcement procedures.

E. ENFORCEMENT PROCEDURES

1. Reporting Violations. Complaints concerning violation of the Rules, Regulations or any provisions of the Association's Declaration and Bylaws by a Unit Owner or tenant must be submitted, in writing, to the Executive Board or Management Company, signed by the Unit Owner or tenant. The complaint must specify the provision of the condominium documents that is alleged to be violated and must be in sufficient detail to determine whether a violation has occurred.

2. Complaint Forms.

a. Complaints regarding the management of the Association property, repairs to the common elements, or concerning actions of any other Unit Owners shall be made in writing to the Association through the management company.

b. A copy of the complaint form (see Appendix B) is provided for your use should you deem it necessary to identify a violation of the above Rules and Regulations. The Executive Board understands the need to maintain a clean and aesthetically pleasing environment. It is also each Unit Owner's responsibility to comply with these Rules and Regulations in an effort to do their part for the Community.

3. Investigation. A member of the Executive Board, committee member or representative of the management company shall investigate the complaint to determine whether there is reasonable cause to believe that a violation has occurred.

4. Initial Violation Notice/First Notification. The Association will send a written notice describing the violation to the Unit Owner and/or tenant, instructing them to correct the violation or respond within a maximum of ten (10) days. If a response is requested, the Unit

Owner shall respond in writing utilizing the form attached hereto as Appendix C. If a violation is not corrected within the amount of days detailed in the letter, or if the Unit Owner has not contacted the Executive Board concerning the violation, the Executive Board will proceed further with the enforcement procedures.

5. Second Notification. If no response or correction concerning the violation is performed within the amount of days of the written warning, a letter will be sent to the Unit Owner and a \$100 fine will be assessed to the Unit Owner.

6. Third Notification. If no correction or response is made by Unit Owner within thirty days after the second notification, another letter will be sent to the Unit Owner, and a \$250 fine will be assessed to the Unit Owner.

If after the third offense the situation has not been resolved, the Board has the authority, as established by the Bylaws, to initiate any or all corrective action at the Unit Owner's expense. Thus, it would be to the Unit Owner's benefit to abide by the Rules and Regulations.

7. Fines and Penalties. Depending upon the seriousness of the violation, the Executive Board has the right to impose larger fines if the violation or problem disregards the safety of the residents, is in complete disregard of the Association and adjoining neighbors, and/or in violation of the Association's Declaration or Township ordinances. Depending upon the seriousness of the violation, the fine could either be enacted for each incident or a fine charged for each day that the violation remains uncorrected. The penalties for the Unit Owner could include loss of Association privileges. The Executive Board has full authority in establishing the amount of fines and loss of privilege penalties. The amount assessed is due upon receipt of the notice.

If the situation persists after the third notice, fines in the amount of (\$250) Two Hundred Fifty Dollars will be assessed to the Unit Owner's account every thirty days.

8. Hearing. All Association Unit Owners and tenants shall have the right to a hearing, which could either be conducted by a committee responsible for Rules and Regulations enforcement or by the Executive Board. If a hearing is conducted by a committee, the Unit Owner or tenant may appeal the committee's decision to the Executive Board. Any decision made by the Executive Board is final.

9. Noncompliance. In the event that a Unit Owner or tenant does not comply with the violation notice and/or does not pay the amount assessed by the Association, the Executive Board may file legal action against the Unit Owner for collection of the fines and compliance with the Association's Declaration, Bylaws, and Rules and Regulations. Any expense associated with legal action and the collection of fines incurred by the Association shall be added to the complaint and become the responsibility of the Unit Owner to pay. If a judgment awarded by the court remains unpaid, the Executive Board may place a lien for the amount of the judgment, plus costs, against the Unit Owner's property.

These Rules and Regulations may be amended by the majority vote of the Executive Board.

ESTABLISHED AND ADOPTED, by the undersigned, being the current Executive Board of Dowlin Forge Station Planned Community Association, as of the date set forth above.
